AMENDMENTS TO THE CLAIMS

The following listing of claims will replace all prior versions and listings of claims in the application.

LISTING OF CLAIMS

- 1. (Currently Amended) A method of making an air-bag, the method comprising the steps of blow moulding a selected plastics material comprising ABS and PC to form the air-bag utilizing a mould corresponding to the final uninflated state of the air-bag, the mould being such that the moulded air-bag has at least one indented regionannular groove, which, on inflation of the air-bag, becomes outwardly extending.
- 2. (Previously Presented) A method according to Claim 1 comprising the additional step of providing a gas generator for the air-bag.

3-4. (Cancelled)

- 5. (Currently Amended) A method according to Claim 3 wherein the indentation comprises 1 further comprising a central indented area.
- 6. (Previously Presented) A method according to Claim 1 wherein the plastic comprises at least 40% ABS and PC.
- 7. (Previously Presented) A method according to Claim 6 wherein the plastic comprises at least 80% ABS and PC.

Serial No. 10/587,663

- 8. (Cancelled)
- 9. (Previously Presented) An air-bag made by a method according to Claim 1.
- 10. (Currently Amended) A method according to Claim [[2]] 5 wherein the indented region comprises an indented annular groove surrounds the central indented area.
- 11. (Currently Amended) A method according to Claim [[4]] 1 wherein the indentation comprises a central indented area annular groove includes a substantially oval shape.
- 12. (New) A method according to Claim 1, wherein the annular groove surrounds a raised portion.
